

Outcomes of the conversation: **BULLER OLDER PERSONS' HEALTH**

The West Coast DHB has spent several months in conversation with the community about what health services are needed for older folk in Buller.

You're invited to meet with West Coast District Health Board Chief Executive, David Meates, to hear how we plan to respond to the priorities the community has identified, and the direction of travel for health services for older people.

NBS Theatre

105 Palmerston St, Westport

1.00 - 2.00pm

Thursday, 11 June 2015

Everyone is welcome!
